

The Education Centre at Discovery Uganda

We are very thankful that the construction of the Education Centre is now complete.

Over the next few months it will be equipped and furnished so that it can be come operational as soon as possible.

Help us get it internet connected through 2011!

Connected!**

The construction of the Education Centre at Discovery is complete and over the next few months it will be equipped and furnished. Thank you so much to those who have helped to make it become a reality!

The Education Centre will be used as a resource for local Ugandan schools as well as to facilitate links between these schools and those in the UK.

To make this happen an **internet connection** has been established and it works well. The cost of using this connection is approximately **£2** a day or **£14** a week. Can you help towards the target of financing this for a year?

(It is expected after this initial period it will be self-financing)

You can make a donation to the project and give your Christmas "gift" (the certificate opposite) in a card or even gift wrapped to your friends and family.

Please send your cheque made payable to:
