Chorus

Had never known till I got to know that, when he came on the cross he paid my price, he joined the bridge once rejected now am accepted in his name, on the cross, he said its over receive your freedom in Jesus' name ,

Sure you do not need to have a Bema to receive salvation nor need to have a mansion, salvation no cash you got to give in your heart pay no cash, its only grace it doesn't discriminate.

The poor and the rich, same salvation, the white and the black like me ,no cask.

Nooo cash, it was just just free (Nixon) salvation no cash, I got it free (I' ve with a massage) I got it free (salvation no cash) no cash I never paid any thing, ooh it was, just..... Free.

Chorus

Meaning of the luganda (2) verse.

What I have realized is that almost every thing on earth is purchased with money of which without money you can fail to see some things, but there is some thing , one and only which is important but free to every body, whether poor or rich, brown or black, it doesn't matter the nationality or tribe, a muganda or a muchori, a musoga or an American, a mukiga or a Chinese , this free gift combines us together and this is salvation. No one pays for it for Jesus paid, by his stripes he says, we were healed. You can only be saved when you believe in your heart and speak with your mouth that Jesus is the lord and savior who only died and rose from the dead. give him your life and leave aside what does not please him (sin), this is the reason why he came and crucified on the cross(died) for your sins, remember that he rose from the dead. Its time for you to rise and receive salvation without payment.
