

Curriculum Projects – Sports Participation Survey

Could you please ask your Physical Education/Sports Department to complete the following survey and then could you return it via e-mail to curriculumprojects@u-ukslp.org

(Schools in Uganda local to Discovery Centre might wish to pass a paper copy to the centre which can then be scanned and forwarded)

The purpose of the project is to compare the degree of sports participation that happens in the responding schools. Results will then be distributed amongst the u-ukslp schools. Your contribution is valued and appreciated. Any queries please e-mail curriculumprojects@u-ukslp.org
